Caretaker Finance Minister Ali Hassan Khalil contacted the Financial Prosecutor Ali Ibrahim to discuss the submission by H.E. of a detailed report about the State's financial accounts from 1993 until 2017. This report includes all the details and facts related to the file transferred last March to the Court of Accounts and Council of Ministers and containing the State's public accounts and final accounts for the mentioned years.

This report reveals all the gaps, violations and transgressions that took place during that period, as well as the Minister's observations on issues that require further investigation and accountability.
