

Date: 01/04/2019

Within the scope of the measures taken by the Ministry of Finance in parallel with the adoption of the Public Budget and the reforms to be included, the Minister of Finance, Ali Hassan Khalil, submitted today to the General Secretariat of the Council of Ministers a draft law annulling all Customs exemptions referred to in the Customs Law or other legal texts, except those mentioned in international agreements and treaties.

This positive step directly affects the increase in revenue and controls part of the tax evasion.
