Finance Minister Dr. Ghazi Wazni met with a World Bank delegation headed by World Bank Regional Director, Saroj Kumar Jha. They discussed all the prevailing financial and economic issues, especially after the formation of new government, as well as the importance of finding appropriate solutions for the problems that the country is facing, in order for Lebanon to overcome the economic crisis and undertake the reforms needed to push the economy forward. Kumar Jha stated that the World Bank was ready to assist Lebanon in light of the current financial situation.
