Finance Minister Dr. Ghazi Wazni met with MP Simon Abi Ramia to discuss the problems faced by Lebanese sports clubs, especially in terms of tax matters with the Ministry of Finance, which might lead a large number of these clubs to close. Abi Ramia stated that there several options were being reviewed with Minister Wazni and the Parliament, including proposing a law cancelling several taxes imposed on these clubs.

The meeting also tackled the payment of financial dues to the waste treatment facility in Hbaline (Jbeil District), and Minister Wazni pledged to secure the amounts due to contractors and operating companies, given the importance of this matter.
