A meeting was held today between Caretaker Finance Minister Dr. Ghazi Wazni and James Daniell, managing director at Alvarez & Marsal firm hired to conduct the forensic audit of the accounts of Lebanon's Central Bank (BDL). During the meeting, they considered the choices that will be made concerning the contract in the next 24 hours.

Daniell delivered the following statement:

“We have come to assess whether BDL has provided sufficient information to allow A&M to start the forensic audit.”
