

**Date: 07/06/2021**

Caretaker Finance Minister Dr. Ghazi Wazni sent today a letter to the Prime Ministry asking for an exceptional approval to cover the Treasury advance to electricity in foreign currency in order to buy the fuel needed by EDL.

This comes after the President of the Republic, Michel Aoun, asked the Finance Minister to examine how to ensure funding to EDL in foreign currency, and after Wazni contacted the governor of Lebanon's central Bank, Riad Salameh.
